**IMPORTANT INFORMATION:**

You are receiving this message because you are registered for electronic filing as a party representing yourself.

The United States District Court for the District of Kansas is planning to implement NextGen CM/ECF beginning August 6, 2015 at 5:00 pm. CM/ECF will be unavailable from that time until August 10, 2015 at 8:00 am. The down time will include Friday, August 7, 2015. Instructions for filings with a deadline or emergency filings will be provided on our website at [www.ksd.uscourts.gov](http://www.ksd.uscourts.gov).

NextGen CM/ECF includes **Central Sign-On** functionality. Central Sign-On is a new feature that links your CM/ECF filing account to your PACER account. Once the court upgrades in August, you will perform a one time link between your current CM/ECF filing account and your (upgraded) PACER account. After that, you will always log in with your PACER account. If you don't already have a PACER account, you must obtain one. If you have a PACER account but it was established prior to August 2014, you must upgrade it.
