#### Docket Text:

**ORDER REGARDING FILINGS IN TAG-A-LONG ACTIONS:** There are four individual lawsuits pending in this court that have been identified as "tag-a-long actions" to this MDL: Cases numbered 14-2637, 15-9900, 17-2614, and 18-2408. There has been some confusion regarding whether pleadings, motions, and other documents pertaining solely to one of these individual cases should be filed on the master MDL docket or on the individual case's docket. Going forward, the procedure shall be that any document that applies solely to one of these individual cases shall be filed on the docket of the individual case. A notice of filing shall then be entered forthwith on the master MDL docket, noting the ECF docket number assigned to the filed document in the individual case. Signed by Magistrate Judge James P. O'Hara on 1/22/2020. (This is a TEXT ENTRY ONLY. There is no.pdf document associated with this entry.)(amh)
